Purpose

In order to improve the lives of Kwantlen students, the KSA offers a bursary to KSA members who are experiencing financial hardship or a personal obligationthat impedes their access to education. If you are able to demonstrate financial hardship or a significant personal obligation, you may be eligible to receive a partial MultiPass bursary ($117.92) or a full MultiPass subsidy ($235.84). Once the final date for application submission passes, the KSA Bursary Committee will review all applications.

Funding for these bursaries is limited. Your ability to demonstrate financial hardship does **not** guarantee a bursary, and applicants may receive a partial or full bursary. Please note that students must be eligible for the KSA MultiPass to be eligible for the MultiPass bursary. Applications will only be reviewed after the deadline has passed. Applicants will receive notification of their status, and those approved will receive their bursary via AFT (automatic fund transfer) after the deadline for submissions. Applicants receiving the bursary may be required to provide details to the KSA for tax purposes as required by the Canada Revenue Agency.

*The KSA requires applicants' social insurance numbers for T4A preparation. Please be assured that the collection of this information is strictly for the purpose of issuing T4A slips if and when needed.
